FILING UNDER 37 C.F.R. § 1.8(b)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the voice message of October 25, 2004 from Examiner Steven Marsh regarding the above-identified application. Applicant faxed a Status Letter on September 28, 2004 because no response to the After Final Amendment had been mailed since the Interview Summary of May 4, 2004. In the voice message, the Examiner stated that the 102 rejection was overcome, but he did not receive certified copies of the priority documents although Applicant asserted that the certified copies were filed with the Office and receipt of the copies were evidenced by the stamped return postcard.

Since Applicant has not received a response to the After Final Amendment, Applicant filed a Notice of Appeal and the fourth-month deadline to file an Appeal Brief is October 30, 2004. As shown in the attached copy of the stamped return postcard as *prima facie* evidence (M.P.E.P. 503), certified copies of the three priority documents were presumed to have been received by the Office. Applicant should not be required to re-submit certified copies of the priority documents. Under 37 C.F.R. § 1.8(b), Applicant respectfully requests that the certified copies be considered timely filed without incurring any expenses and exerting further burden on the part of Applicant. As required by 37 C.F.R. § 1.8(b):

(1) In response to the Final Office Action mailed November 4, 2003, which mentioned no certified copies of the priority documents were filed, Applicant informed the Office of the previous mailing of the correspondence in the After Final Amendment mailed April 2, 2004 and provided evidence of the stamped return postcard. Neither the Interview Summary mailed May 4, 2004, nor follow up voice messages indicated that no certified copies of the priority documents had been received. From the voice message of October 25, 2004 from the Examiner, Applicant became aware that no certified copies of the priority documents had been received. On behalf of Applicant, the undersigned immediately called the Examiner and left a voice message to inform him of filing copies of the certified copies of the priority documents under 37 C.F.R. § 1.8(b).

(2) Additional copies of the previously mailed correspondence and certificate are enclosed as listed on the transmittal.

(3) The undersigned hereby attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing. The undersigned further verifies that the attached copies are true and accurate copies of the originals.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
